

# **All Saints' Mission of the Month** **Christian Aid**

**Join us this Christian Aid Week (12<sup>th</sup> to 18<sup>th</sup> May 2024)  
To help to Push Back Against Poverty**

Christian Aid works to create a world where everyone can live a full life, free from poverty. **Everyone is equal in the sight of God** and for over 75 years, this truth has inspired Christian Aid to stand in solidarity with our most marginalised global neighbours, of all faiths and none.

Our focus this year is Burundi, one of the most densely populated and poorest countries in Africa. Heavily reliant on agriculture, it's one of the least prepared to combat the effects of climate change, including droughts, floods and landslides. The global cost of living crisis has intensified these challenges.

Malnourishment and Poverty affect more than 70% of the population, putting them at the edge of survival. Coming back from the edge isn't easy when food can be scarce, disease prevalent and jobs hard to come by.

If you have a home, chances are there's no electricity or running water, and it may not even survive the next storm.

Together, we can support families to secure a better future for themselves and future generations by supporting Christian Aid.

**Faith and belief that the world can be a fairer place  
for all people unites us.**

**With your help, we can work towards a world where families  
can push back against the inhumanity of poverty**
